

Bachelor of Arts (B.A.) in Theology

Jefferson International University of Baptist (JIUB)

Program Overview

The Bachelor of Arts in Theology at Jefferson International University of Baptist (JIUB) is designed to provide students with a comprehensive understanding of Christian faith, biblical teachings, theological reflection, ministry practice, and spiritual formation. The program integrates academic excellence with practical ministry training, enabling graduates to serve effectively in churches, mission organizations, educational institutions, and community development initiatives.

Program Learning Outcomes

- Demonstrate a thorough understanding of the Bible and Christian theology.
- Interpret Scripture using sound biblical and theological methods.
- Apply Christian principles to contemporary social and ethical challenges.
- Communicate theological concepts effectively in ministry and academic contexts.
- Lead churches, ministries, and faith-based organizations with integrity and competence.
