

Bachelor of Christian Leadership

Preparing Christ-Centered Leaders for Ministry, Mission, and Organizational Excellence

Program Overview

The Bachelor of Christian Leadership at Jefferson International University of Baptist (JIUB) is a comprehensive four-year undergraduate degree designed to develop spiritually mature, ethically grounded, and professionally competent Christian leaders. The program equips students with the biblical knowledge, leadership principles, ministry skills, and strategic thinking necessary to lead churches, ministries, nonprofit organizations, educational institutions, and faith-based initiatives in an increasingly complex and globalized world.

Rooted in Scripture and Christian values, the program combines theological education with practical leadership training, helping students cultivate servant leadership, effective communication, organizational management, conflict resolution, team development, and vision casting. Students are challenged to grow spiritually while developing the leadership competencies needed to influence individuals, organizations, and communities for the Kingdom of God.

The Bachelor of Christian Leadership prepares graduates to serve with integrity, wisdom, compassion, and excellence in diverse ministry and leadership contexts.
